

# Netflix Stock Analysis

vs. The DowJones Ind. Average.

As a part of the Stock Profile team, I was assessed to look at the risks of Netflix stock over the past year.

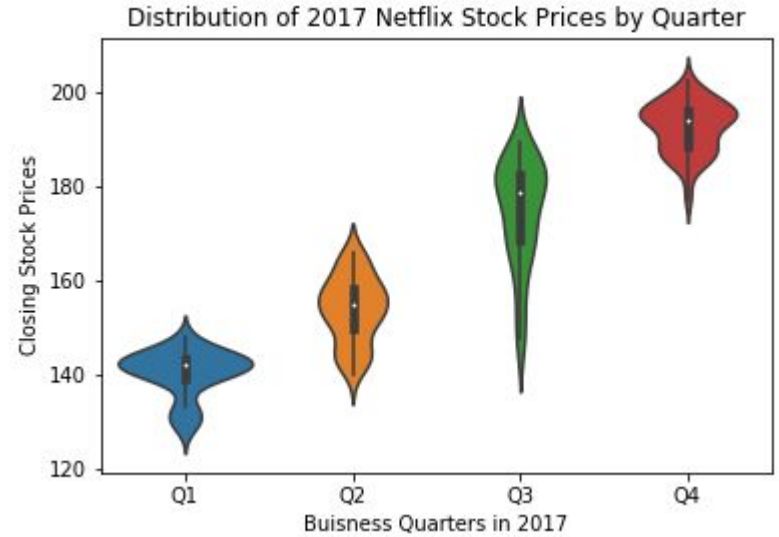

In part the next few slides conceptualize the trending;

- Netflix stock prices.
- Earnings vs their revenue.
- Earnings per share.
- The Netflix index compared to the DowJones Industrial average.

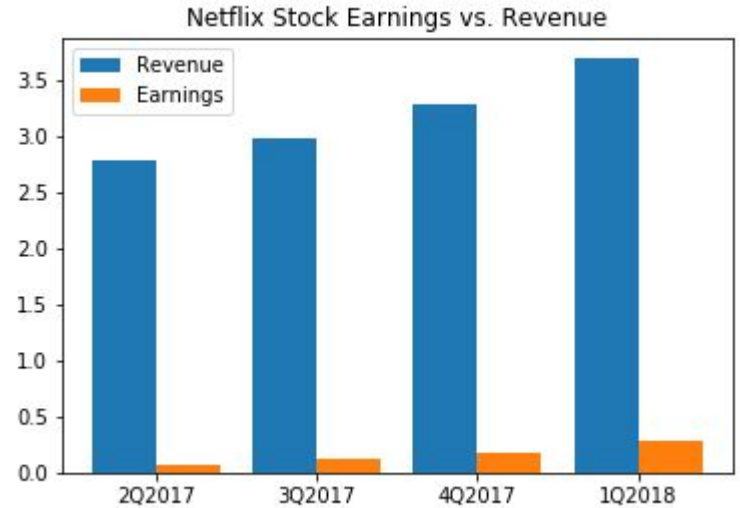

# 2017 Netflix Stock Prices

Stock growth by each quarter.

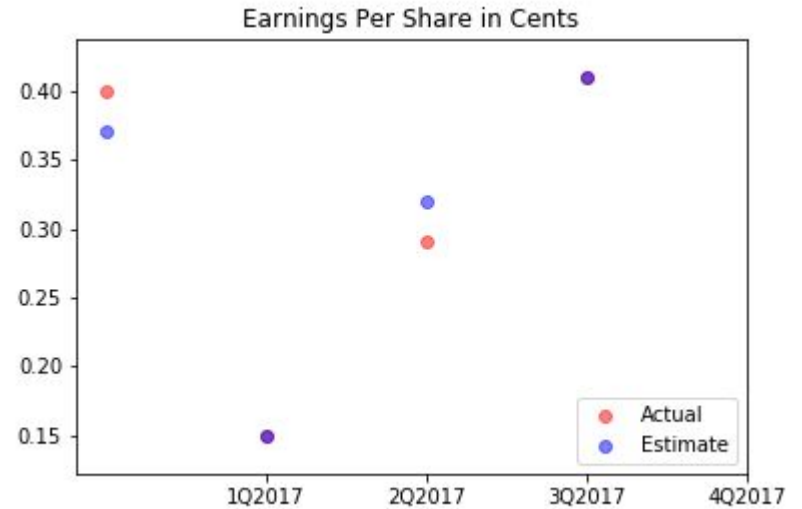

# Netflix Revenue and Earnings

Earnings Increased by almost %10 by the first quarter of 2018.

# Earnings Per Share

Earnings per share.

# DowJones Side by Side

The overall curve of both the Dow and NFLX are on par with each other, with a ratio that sets off the netflix chart the averages look similar.
